## The Mystery of God's Plan "In Christ"

Rev. Raymond P. Carey, Ph.D.

In the first chapter of the Letter to the Ephesians, the author offers a sustained blessing that reveals God's glorious and lavish grace to all who follow Jesus, who are "in Christ." In a joyful and hopeful reflection, we will unpack something of the wonder of that message of living "in Christ."

## UNDERSTANDING AND ADDRESSING INTERNET ADDICTION DISORDER

**Tuesday, September 26, 2017  
7:00 pm – 8:30 pm, Gathering Area  
Speaker: Fr. Raymond P. Carey**

There is a crisis underway with young men and boys in our country. Excessive online gaming and pornography use has resulted in widespread lack of social skill development, an emerging unhealthy sexuality, a lack of motivation for education and meaningful employment among young men. While taking the perspective of a supportive Christian community, this evening's reflection will review relevant psychological research and examine some ways to help reverse the problem.

Father Raymond P. Carey, Ph.D., is a priest of the Archdiocese of Portland, and is an adjunct professor at Mt. Angel Graduate School of Theology. He is a counselor for priests and religious, and he maintains an active international lecture and retreat schedule. His doctorate is in clinical psychology.
